6-24 Consecutive day pass -10 Mb	\$300.00

Pricing shown above is good for ONE Device.

You can choose to add more than one device when purchasing wireless connectivity online. These prices are for consecutive days and cannot be split, refunded, or separated for future events.

5Mb is recommended for light use including web browsing, email, social media, and credit card processing.

10Mb is recommended for HD streaming and advanced web browsing.

When you are on-site at the Indiana State Fairgrounds and Event Center

1. Scan QR code or manually connect to Event_Wireless

NOTE: If your device will not pull up the portal, please purchase the wireless package using your cell phone, tablet or laptop. Once purchased, contact support at 317-927-7655 referencing your account name, as they can manually connect your device to the system. Please note, they will not be able to connect your device until you purchase a wireless package.

Event_Wireless

2. This will route you to a portal page, choose "Create an Account" and sign up for the connectivity you need.
3. You must purchase this connectivity on-site using a credit card.
4. Wireless connectivity starts immediately after purchase.
5. When on-site, if you have any issues or questions, please call Wireless Support at 317-927-7655.
