We cannot allow you to carry anything out of the building before said announcement. Anyone found starting to tear-down before 5:00pm will automatically be removed from our mailing list. Be considerate of the attendees who make plans to come to the Expo on the final day, only to discover that half of the exhibits have already packed up and are ready to leave.

BOOTH CONSTRUCTION INFORMATION

The following information is intended to allow equal exposure by all exhibits. The purpose of exhibiting is to sell. These rules are for your benefit and will be strictly enforced.

The show has made every effort to provide a quality buying environment for our guests. We hope you will want to be invited back next year. Please make every effort to have a quality appearing exhibit.

- Signs, clothing or items with offensive wording or displays will not be allowed.
- Any exhibitor using steps or platforms in their booth must have hand rails installed on them by show opening, Thursday, February 21st at 12:00pm/noon. This is a safety rule that must be complied with. Nobody will be allowed to open without them.

- Balloons, stickers, and handmade signs are strictly forbidden.
- 24-hour security is in effect. We suggest you cover all merchandise at closing each evening and rope off your display.
- Booth displays & signs are limited to 8' and shall not project more than 4' from the background. Decorations shall not obstruct adjacent exhibits nor project into aisles.

The diagram below clearly indicates the guidelines required for linear booth participation in our show. All exhibit fixtures should be contained within the grey outlined areas shown.

INSURANCE INFORMATION & REQUIREMENTS

ALL EXHIBITORS must comply with the insurance requirements specified in the booth space lease agreement. The insurance requirements are designed to protect your company and the Renfro Productions' managed events. The following questions will be answered in this document regarding insurance for participation in the show.

- Do I need Show Insurance?
- Where can I get the insurance?
- Are there additional requirements for the insurance certificate?
- What is the difference between a general Certificate of Insurance and a Certificate of Insurance with an additional named insured?

➤ Do I need Show Insurance?

EXHIBITORS in the following categories must provide Show Management with a **Certificate of Liability Insurance** in the amount required by the Indiana State Fairgrounds (\$2,000,000 General Aggregate with \$1,000,000 per Occurrence).

Bulk Space Exhibitors

Leased booth space, typically 400 SF or larger, is generally classified as bulk.

Booth Exhibitors

- Any exhibitor with an 8' x 10' or larger, where the general public can enter your booth space, must provide a Certificate of Liability Insurance.
- Exhibitors which have fishing and hunting related products, fishing hooks, knives, demonstrated products (i.e. sunglasses, tools, fishing or hunting equipment) and/or any products which could injure show attendees or other exhibitors.
- Any exhibitor selling, demonstrating or sampling food products. (See **FOOD/BEVERAGE EXHIBITORS** below regarding information on temporary food license for Indiana).

If you don't meet the criteria as outlined above, we request that you provide a copy of your general Certificate of Insurance which indicates your liability coverage. If you do not have insurance, please see the following “**Where can I get the insurance?**” section.

➤ **Where can I get the insurance and certificate?**

If you Already Have Insurance/An Insurance Agent

As an exhibitor, you can request either a general Certificate of Insurance or a Certificate of Liability Insurance with Additional Named Insured, from your insurance agent. Some insurance companies charge a nominal fee for the “Named Insured” section, some insurers provide the certificates at no charge. Simply provide your agent with the correct language (see the section entitled “**Are there additional requirements for the insurance certificate?**”) to ensure the certificate is written accurately. Your booth space lease agreement stipulates that your company be properly covered by liability insurance.

As a standard requirement, our show exhibitors, meeting the criteria for liability insurance as outlined above, must provide proof of general liability coverage from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$2,000,000 in all.

If you Do Not Have Insurance/An Agent

If you do not have this coverage in place, we have made arrangements for **all of our exhibitors** to be able to acquire liability coverage at significant savings through the Shoff Darby Insurance Agency, by purchasing as part of a group. This company specializes in event insurance and works with exhibitors from consumer and business tradeshows throughout the United States. Please click the link below, complete a short application/questionnaire and you can obtain this coverage for \$65 plus tax.*

Proof of alternative coverage, satisfying these minimums, or secured coverage through the link provided above must be in place, if required in “**Do I Need Show**

Insurance?” section above, prior to your scheduled move-in date. **You will not be allowed to move-in/exhibit without proper insurance coverage in place.**

*Renfro Productions & Management, Inc. and the managed events do not receive any compensation from any insurance transaction you may make. This information is provided as an additional resource for exhibitors who may wish to use this service.

➤ **What is the difference between a general Certificate of Insurance and a Certificate of Liability Insurance with an additional named insured?**

A general Certificate of Insurance is a document used to provide information on specific insurance coverages you have already purchased. The certificate provides verification of the insurance and usually contains information on types and limits of coverage, insurance company, policy number, and the policies' effective periods.

A Certificate of Liability Insurance with “additional named insured” endorsements furnish coverage to the “additional insured” for liability “arising out of” the named insured's work, operations, or premises (or some variation on that theme).

The Certificate Holder is simply a proof of insurance, whereas “Additional Insured” status gives the main contractor coverage and rights under their sub-contractor's or vendor's, the “Name Insured” policy.

➤ **Are there additional requirements for the insurance certificate?**

When purchasing a Certificate of Liability Insurance with Additional Named Insured, the wording on the document is very specific and important, just as important as making sure the coverage amounts are accurate.

The descriptor section of the liability form should read EXACTLY as follows:

Renfro Productions & Management Inc. and Renfro Expositions, Inc. named as “ADDITIONAL INSURED”.

Certificate Holder section should read as follows:

Renfro Productions & Management Inc.
6405 Dr. Martin Luther King Jr. Blvd.
Anderson, IN 46013

Make sure the dates of the policy cover the ENTIRE show, including setup/teardown dates.

If we do not receive a Certificate of Liability Insurance you may not be able to exhibit. If damage occurs to the building or its property that is attributable to you (Exhibitor) or your (Exhibitor's) staff, then it is the Exhibitor's responsibility to reimburse the Indiana State Fairgrounds.

Please contact us if you have any questions regarding this requirement. Certificates of Liability Insurance can be emailed to ejohnson@renfroproductions.com or cgeyer@renfroproductions.com

FOOD/BEVERAGE EXHIBITORS

In addition to the above, Exhibitors engaged in preparing, sampling or selling food or beverages of any sort are required by the Indiana State Department of Health (Regulation 410 IAC 7-24-107) to file a **Registration Application for a Temporary Retail Food Establishment** (State Form 59110).  - Gasoline tank caps must be locked, taped or sealed and approved by the State of Indiana Fire Marshal.

STATE REGULATIONS

The Indiana Department of Revenue has published information that states an out-of-state vendor who displays and sells merchandise at local trade fairs and/or exhibitions will be considered engaged in business in Indiana. See: Indiana Sales Tax Bulletin #37, <http://www.in.gov/dor/reference/files/sib37.pdf>

Since the Department of Revenue takes the position that an out-of-state vendor is doing business within Indiana, we recommend that you review the Indiana tax laws and regulations to make the determination if your business needs to register as an Indiana Retail Merchant for the collection of Indiana sales/use tax. To obtain a copy of the Business Tax Application form, contact the Indiana Department of Revenue at (317) 233-4015 or follow the step-by-step instructions for applying online at <http://www.in.gov/dor/4323.htm>

It is your responsibility to determine if your business activities require you to register for the collection of sales/use tax. Any taxes due to Indiana through your participation in this event are your responsibility. We have provided the necessary contacts for information purposes only.

PETS / ANIMALS

Exhibitors are not permitted to bring pets or live animals into the Show, except for service dogs and guide dogs that are wearing the appropriate identification vest. Show Management reserves the right to have removed any animal it determines as a threat to people or other animals at the Show.
